Working Like a Mathematician with Professor Morris

Support Links for Poster Problem Clinic & Trial Puzzles

Puzzle 1

At first glance it looks like a Prep or Year 1 puzzle, but it's more than that. A good task is the tip of an iceberg and this *is* a good task. From Maths At Home:

<http://www.mathematicscentre.com/mathsathome/challenges/patchart.htm>

Puzzle 8

Extracted from *Introducing Professor Morris*

<http://www.mathematicscentre.com/taskcentre/pm08.htm>

Puzzle 23

From Maths At Home:

<http://www.mathematicscentre.com/mathsathome/challenges/fourodd.htm>

Puzzle 37

Extracted from *Introducing Professor Morris*, with the addition of a surprise in a second language:

<http://www.mathematicscentre.com/taskcentre/pm37.htm>

Puzzle 49

A Poster Problem Clinic in detail. From Maths At Home

<http://www.mathematicscentre.com/mathsathome/challenges/farmpuzz.htm>

Additional

1. **Introducing Professor Morris** contains the philosophy, background, Poster Problem Clinic details and teaching notes for each of the 50 Professor Morris puzzles.
<http://www.mathematicscentre.com/taskcentre/IntroducingPM.pdf>
2. **Poster Problem Clinic** as a short article on Mathematics Centre using a hands-on task (Eric The Sheep) as the poster.
<http://www.mathematicscentre.com/taskcentre/poster.htm>
3. **Starting Point** for all things Professor Morris, including the above.
